

PRESS QUOTES *EVERY_BODY*

"A triumphant, free exploration of day-to-day movements."

– e-tcetera

"Alexander exploits all the body's potential, constantly opening up new ways of linking it to others and to the world, and thus maliciously prolonging the wonder of childhood, show after show."

– Yveline Rapeau

"Anyone who thought they had seen Alexander Vantournhout's abstract language of movement - an organic fusion of circus, dance, mathematics and nature - is in for a surprise with every_body."

- De Standaard

"Even the most ordinary actions gain countless overtones and undertones in his hands."

- pzazz

"Vantournhout always shows with precision how movements arise and dissolve into the next gesture."

- pzazz

"Alexander Vantournhout's art has this astonishing ability to conceive connections while simultaneously creating them in a very tangible way."
